This Year's Instructors

Jack Breetveld

*USSF Referee Inspector
National Referee Emeritus*

A native of The Netherlands, Jack's referee career has spanned many decades, including service at the national level where he officiated top-level professional leagues. As one of a handful of USSF Referee Inspectors, Jack is responsible for assessing National Referees in professional matches including Major League Soccer.

Krista McCann

State Referee

Krista first stepped on a field at age 12, working games in her local association in Cumberland. Eight years later, Krista is already working professional matches in the Women's Premier Soccer League. Krista has worked extensively at the regional level where she has worked with top referees and instructors from across the nation.

Juan Montalvan

State Referee

Juan hails from the South American nation of Peru where he played at the college level for La Agraria University in Lima. Currently the head boys soccer coach at the Wheeler School, Juan has distinguished himself as a coach. Fluent in four languages, Juan can often be found holding the whistle for some of the state's most difficult matches.
